## DON'T LISTEN TO PEACE TALK T. R. ADVISES

**Teddy Makes Great Hit With  
Chicago Women When He  
Says He'd Fight for Them  
at Drop of Hat.**

**CALLS HYPHENATES  
TRAITORS TO U. S.**

**There's No Room for Fifty-  
Fifty Loyalty in This Coun-  
try, He Says—Suffrage Is  
Barely Touched Upon.**

(By Review Leased Wire)  
CHICAGO, Oct. 26.—Chicago women cheered Colonel Roosevelt today when he appealed to them not to be influenced by the plea that President Wilson had kept the nation out of war. When he told them that he would fight at the drop of the hat if necessary to stop the murder of women and children, they met the announcement with a long chorus of applause.

The Colonel closed his western tour here today with two speeches, the first exclusively to women, with not more than a scant score of policemen and reporters in the audience. He had been expected at the hotel to appeal to the women who had been induced by the peace slogan but he had decided to make exactly the same appeal which he would have made to men. "I am going to speak," he said, "to what I might call the early Victorian aunt."

**Vouches for Hughes.**  
There was no attempt to heckle the speaker, the only interruption after he described pictures of women and children killed in Mexico and said he would have gone to war if necessary to avoid that, several voices called: "What about Hughes?"

**Will Prevent Murders.**  
"Mr. Hughes can be trusted to keep his word," answered Mr. Roosevelt. "When he says that he would not submit to such deeds as the sinking of the Lusitania or the killing of our citizens in Mexico, he means what he says."

**Lincoln, Washington Warred.**  
"You have stood up and listened to the Star Spangled Banner and to America and you have stood up because they were written about a generation of Americans that was not too proud to fight. You may notice that the expression 'safety first' is not embodied in either song. And when you are told to vote for Mr. Wilson because he kept us out of war, remember that is something that cannot be said either of Washington or Lincoln."

**Why Troops on Border.**  
He was interrupted again when he told of returning from the border, where he said he found 150,000 troops, without knowing what they were there for. "Wilson doesn't want them to vote," called a woman.

"I was going to be more charitable and say that he wanted them there to help make up the President's mind whether he was at peace or at war."

**The Democratic platform said that the Mexicans have made war on our people, the Judge advocate general ruled that the Americans in Mexico were at war, and our army is at war, but Mr. Wilson is at peace."**

**Hyphenates in Bad.**  
The women also applauded his reference to hyphenated citizens. "There is no room in this country for the perpetuation of different nationalities," he continued. "To divide our citizens along racial lines is moral treason to the republic. To hold for this country only half an allegiance is in reality to be hostile to this country, for in practice when the crisis comes, the man whose loyalty is on a fifty-fifty basis always shows that his loyalty to the other country comes first."

Only the brief introduction to the address was devoted to suffrage, Mr. Roosevelt referring to the women as his fellow American citizens and urging them to work for the passage of an amendment to the federal constitution providing for suffrage. He spoke at a mass meeting tonight.

**GERMAN COUNTER-ATTACKS  
ON VERDUN FRONT FAILS.**  
PARIS, Oct. 26.—The Germans made four successive violent attacks on the Verdun front against the Douaumont positions today but all failed, according to the bulletin issued by the war office tonight.

## SHERIFF WILL SELECT TRAFFIC OFFICER TODAY

Immediate activity on the part of Sheriff Harry C. Wheeler and like co-operation on the part of the members of the board of supervisors has resulted in the allowance by the board of sufficient money to employ a traffic officer for the Warren District roads.

Today, at noon, Vance, Johnson, member of the board from Bisbee, and Sheriff Wheeler, will meet six motorcycle drivers at the Bisbee Justice of the Peace office and will make a selection from that number of a traffic officer. Motorcyclists are invited to attend the meeting.

The sheriff is also desirous of tendering about a dozen honorary commissions to well known automobileists in the District, who will aid the traffic officer or officers in their work. The autoists are also asked to appear at the justice office and discuss the matter with Supervisor Johnson and Sheriff Wheeler.

## HEARST COWBOYS ROUT BANDITS IN MEXICO

lowers at San Geronimo and

Perishing Reports.**

(By Review Leased Wire)  
FIELD HEADQUARTERS, American Punitive Expedition, Mex., Oct. 26. (By radio to Columbus, N. M.)—A party of thirty-five cowboys from the Santa Ana Ranch, one of the Hearst properties near Babiora, attacked and defeated a detachment of Villa's followers at a point about three miles from San Geronimo, according to a report received tonight at field headquarters. The number of casualties is not given but it is stated that two of the bandit officers and two privates were captured.

## Gen. Obregon Hugs Gonzales to Prove Mutual Friendship

(By Review Leased Wire)  
MEXICO CITY, Oct. 26.—At a meeting of the new state liberal party today General Obregon, the war minister, in a speech declared that there was no truth in the reports of the existence of bad feeling between him and General Gonzales, the minister of communications.

General Gonzales embraced him amid the applause of those assembled. Other speakers said that while the attitude of the United States was apparently friendly now no one could tell what the future might bring for them, and at this time all Mexicans should stand together.

## CARL HAYDEN CERTAIN WILSON WILL BE RETURNED PRESIDENT

That Woodrow Wilson will be elected President of the United States and that the prosperity in the state of Arizona and the nation as a whole is wonderful and on the increase, is the opinion of Congressman Carl Hayden. Hayden arrived in Bisbee yesterday with the party of Democratic candidates now campaigning this section of the state.

"It is really astonishing," said Mr. Hayden yesterday, "the prosperity which one sees on every hand in the state. During the present campaign we have been in nearly every county and I can truthfully state that every community is participating in the largeness of the season."

"Speaking politically; I think the President will be returned to office. He should be and I can't conceive of the people of the nation turning him down. The trend of opinion at the present time would seem to guarantee his election."

Congressman Hayden, while making a campaign here, is also investigating

## GREEKS ENRAGED AS FRENCH TAKE CHARGE OF THEIR CAPITAL

French marines disembarking on Greek soil just before occupying Athens.

In this picture, just received from the scene of hostilities in Greece, the first detachment of French marines to land on Greek soil is shown leaving the transport ship and effecting a landing. The marines marched to the city of Athens, where they took possession of the royal palace and placed a strong guard around the royal palace of King Constantine. The Greek people are deeply incensed by this action and have called on the United States to free them from entente oppression.

## Mexican Plot to Attack American Troops On Border Before Election Is Exposed By Secretary Baker

## RECEPTION FOR DEMOCRATIC SPEAKERS GREAT

**Governor Hunt and Congress-  
man Hayden, with Sidney  
Osborn and Charles Howe  
Given Ovation at Lowell.**

Governor George W. P. Hunt, candidate for reelection on the Democratic ticket, and Congressman Carl Hayden were the principal speakers last evening at Lowell before the most enthusiastic and largest crowd which has as yet in this campaign turned out to a political rally. In addition, Sidney P. Osborn, candidate for secretary of state, and Charles R. Howe, candidate for the tax commission, spoke briefly. J. L. Winters, candidate for justice of the peace in Lowell precinct on the Democratic ticket, acted as chairman of the meeting.

The chief executive opening the meeting and spoke for thirty-five minutes. His address was devoted chiefly to a defense of his administration. In part he commented upon his prison reform policy and at odd times took occasion to censure the attacks which have been made upon him in the past. Many other elements which have entered into the campaign were commented briefly upon by the governor.

Speaking of the charge that he had been responsible for driving capital out of the state the governor pointed to the increase of bank deposits and (Continued on Page 2)

WASHINGTON, Oct. 26.—Secretary Baker issued a formal statement tonight saying that definite information had been received by the war department that a bandit attack upon American troops in Mexico or on an American border town had been arranged to take place between now and election day to create sentiment against the administration's Mexican policy. It added that Generals Funston and Pershing were forewarned and arrangements for attack made.

**Exposes Plot.**  
Mr. Baker issued this statement: "The war department has received definite information confirmed from other sources that enemies of the administration's policy toward Mexico, in cooperation with Villa or other bandits in Mexico, have arranged a spectacular attack to be made either upon some part of the American forces or upon some American community on the border between now and the date of the election, for the purpose of turning the tide of sentiment against the policy which the administration has adopted for the protection of the border."

**With Outside Money?**  
"It is significant in this connection that both the state and war departments were advised that the bandit forces operating at the present time in Mexico are being paid in silver coin."

"Full particulars have been transmitted to General Funston and General Pershing. All American forces are therefore forewarned and in readiness for such an attack."

No additional information could be obtained from Mr. Baker, who left the city before the statement was made public, for Martinsburg, W. Va., to deliver a campaign speech.

**Not Defacto Plot**  
Secretary Lansing tonight authorized the statement that Secretary Baker had no intention to intimate that any Carranza soldiers were connected with the plot.

The secretary said that it has been called to his attention that an effort would be made to construe the statement as a political step. He denounced such a contention as absolutely false, declaring that politics were not given a thought in connection with the matter and that it was inconceivable that any American would ally himself with Mexicans to attack his own countrymen. Mr. Lansing saw the statement before it was issued and discussed it with Secretary Baker. He explained that both he and Mr. Baker believed that in addition to the warning given the military commanders it was wise to give the information received publicly, because it might have the effect of causing the plot to be abandoned.

From other sources it was learned that information concerning a plot had been received through agents of the department of justice stationed on the border, and also through some other reports from the border have mentioned the situation. The statement bears out this, indicating that Generals Pershing and Funston received their first warning through advice sent tonight by the war department.

**Americans Not In It**  
It is stated on reliable authority that none of the evidence on hand involves Americans and no Americans are believed to be directly connected with the border situation. The department of justice is pressing its (Continued on Page Two.)

## HUGHES INSISTS HE'LL BE AN "AMERICAN" PRESIDENT

**"Will Protect American Inter-  
ests at Home and Abroad,"  
He Profoundly Assets at  
Boston Arena.**

(By Review Leased Wire)  
BOSTON, Oct. 26.—Charles E. Hughes tonight told an audience which filled Boston's big arena that he proposed to be an American president, if elected, unsuited by any suggestion of foreign influence.

**Cabinet to Be "Able."**  
"And I propose," he added, "that if I am elected we shall have the ablest cabinet that this country can supply."

Mr. Hughes also declared that he would maintain American rights and that he had "absolutely no patience whatever with the idea that an American citizen, following his lawful pursuits, in any part of the world should be left unprotected by the country from which he came."

"I am amazed," Mr. Hughes said, "that it is suggested that a proper attitude is that that policy of protection should not be maintained because it threatens our peace. Is it possible that any such notion should obtain in the shadow of Bunker Hill?" he asked. The audience rose to its feet and waving thousands of American flags, shouted in answer: "NO."

Mr. Hughes had prepared his speech in advance, and while he adhered to it in substance, he made radical changes of its phraseology in delivery. He reached the city after two addresses at Hartford and Providence, untired and apparently in excellent spirits.

## SOFT PEDAL PUT ON MEXICAN REVOLT STORY BY PARLEYISTS

(By Review Leased Wire)  
ATLANTIC CITY, Oct. 26.—Reports that Villa was driving back Mexican defacto government troops in Chihuahua were denied in a statement issued today by the Mexican-American joint commission in session here. Explanation also was made of the absence from Mexico at this time of the wives of Generals Carranza and Obregon.

"Telegrams from General Trevino state that he has 8,000 troops in and around Chihuahua with which to meet a Villista force of something more than 1,000," said the statement. "General Trevino's family has left Chihuahua and gone to Juarez because of the plan of General Trevino to take the field. First Chief Carranza is in the City of Mexico with all of his cabinet and will probably move to Queretaro within a short time. Queretaro

## SAYS AUTOS CAUSE INFANTILE PARALYSIS

CINCINNATI, Oct. 26.—Auto-mobils, not germs are to blame for the epidemic of infantile paralysis that has swept the country, according to assertions made by Dr. Thomas F. Harrington, deputy commissioner of health of Massachusetts, in an address before the annual convention here today of the American Public Health Association.

"Infantile paralysis is due to chemical agents, namely, gases and fumes given off in the atmosphere by the combustion of oils and fluids used in automobiles," Dr. Harrington declared. "Cases of gas and fume poisoning and cases of infantile paralysis agree in every essential."

## AUTOISTS KILL DOUGLAS "Y" MAN AND FLEE

**Line, Secretary of Army Y. M.  
C. A., Hurlled to Death by  
Drunken Speeders on Dou-  
glas Road—Autoists Escape.**

Caught in the gearing of an automobile and dragged fifty feet, Schuyler Line, 27, assistant secretary of the army Y. M. C. A. at Douglas, was instantly killed one mile out of Douglas yesterday afternoon, while the car and its two occupants, who appeared intoxicated, escaped and all search for them has proved fruitless. The accident occurred about 4 p. m.

Schuyler and his comrades, according to the officers, were enroute to the New Jersey camp from Douglas. Seeing the approaching car, they stepped to the side of the road, but Line was hit in the back, his clothing caught in the car, and he was hurled over and over by the fleeing car which disappeared, leaving the youth dead on the roadside.

Owing to the speed of the car the only identification Line's comrades obtained was that there were two men, one in shirt sleeves in the car, supposed to be a Cadillac.

The car disappeared in the direction of Bisbee, but thus far no further trace of it has been secured, although Douglas officers and Sergeant Lee of Battery B, District of Columbia guards, took up the pursuit in motorcycle and automobile, while Warren District officers searched in vain for the fleeing party.

It was reported that one of the lights on the car was broken. The complete disappearance of the car led local officers to believe it turned off the highway and went north. Officers in that country were cautioned to keep a lookout for the party.

Feeling in the New Jersey camp was high last night, as Line was one of the most popular men in the big soldier camp. Line came to Douglas from Plainfield, N. J., where his father is said to be a wealthy manufacturer of post cards.

## U. S. MUST JOIN NEXT BIG WAR

**Wars Now Are on Such Scales  
Position of Neutrals Is Be-  
coming Intolerable, He So  
Tells Cincinnatians.**

**RIDICULES IDEA TRADE  
WAR WILL HUMBLE U. S.**

**Calls Attention to Fact War  
Imports to Europe Are Only  
One Percent of Our Busi-  
ness—Justifies Prosperity.**

(By Review Leased Wire)  
CINCINNATI, Oct. 26.—Taking advantage of a strenuous visit to Cincinnati to discuss the relation of the United States to the European war, President Wilson today declared that "this is the last war that involves the world that the United States can keep out of." He gave as his reason his belief that "the business of neutrality is over," and that "war now has such a scale that the position of neutrals sooner or later becomes intolerable."

**Nations Must Combine.**  
He added that the nations of the world must get together and say "no body can hereafter be neutral as respects the disturbance of the world's peace for an organization of the world's opinion cannot sanction it."

**Ridicules G. O. P. Claims.**  
After denying the Republican claim that business prosperity of the United States during the last two years has been due to trade created by the war, the President ridiculed predictions that after the war Europe will overwhelm this nation by its economic strength and "dump" into the United States goods being stored up for that purpose. He asserted that exports of everything that goes to supply armies makes only one per cent of the total American commerce.

"We ought not to turn these people in fear, but in sympathy," said the President. He added:

"We have means of defense and we have means of aggression. Our means of defense are that we have taken pains to have all the instrumentalities to find out exactly what is going on and to use every act we find that is necessary to defend ourselves."

The President, busy from the time he arrived here shortly before noon, until he left for Shadow Lawn at 10 o'clock tonight, delivered four speeches, participated in an official reception and took an automobile ride.

**Enthusiasm Runs.**  
Crowds which packed the streets for blocks through which he moved, and crowded into the halls in which he spoke, cheered the President almost continuously. During his rides about the city, he remained standing in his automobile, waving his hat to the crowds. The President participated in a welcome extended him by the chamber of commerce, by Mayor Geo. Puchta, then rode to a luncheon given by the Women's City Club, later made an automobile tour of the city, and reviewed thousands of school children carrying American flags. He smiled when he passed the "Hughes High School." Tonight he attended a dinner given him by the city club, and delivered an address later under its auspices. All arrangements were made by non-partisan committees.

Mrs. Wilson accompanied the President and before the day was over her arms were heaped with bouquets of flowers given by committees and school children.

**Talks for Unity.**  
In his afternoon speech the President urged the need for unity among the people of the United States to meet conditions resulting from the war. He gave his moral for the present and future as "let us see to it that America as a whole and every American that constitutes America as one of the fractions is shut through with that spirit of human sympathy which is the only spirit of true enterprise."

**Industrial Revival Great.**  
The United States, Mr. Wilson said, has had an industrial revival during the last two years, which it has never seen before. He declared that the United States will lend not only its moral influence but its physical influence if other nations will join with her to see that no nation or group of nations takes advantage of another nation or group of nations. He discussed the causes of the present war, (Continued on Page Five.)
